THE **FREE** TOOLS AND SERVICES YOU NEED TO CREATE AND MANAGE XANEDU COURSEPACKS

Exclusively through XanEdu's unique web-based tools faculty can build their custom course materials and access detailed course, CoursePack and copyright clearance information—24 hours a day, 7 days a week!

XanEdu's innovative My XanEdu control center for faculty brings you the ability to:

- ▶ Create a new CoursePack from scratch, or ask us to create one for you from a reading list or syllabus.
- ▶ Search and select content from XanEdu's archives of copyright-cleared articles, cases, book chapters, and other documents.
- ▶ Request free copyright-clearance services for content items that are not in our collections.
- ▶ Adopt your finished CoursePack for use in your class.
- ▶ Specify whether you want students to get a print copy only, online access only, or both.
- ▶ Preview the student experience of online access to your CoursePack.
- ▶ Check on the current copyright status of any item in any CoursePack with just a few clicks.

The screenshot shows the XanEdu My XanEdu control center. At the top, it says "Welcome HVALLEE" and "Current Date Range: 05/27/2006 - 07/26/2006". There is a search bar and a "Search ?" button. Below the search bar is a table of CoursePacks:
